3605 Helix Ct. Apt. 102 Raleigh, NC 27606 (919) 210-0338 ⋈ ajray@ncsu.edu

## Alex Ray

## Objective

A challenging summer internship at a company on the cutting edge of new technology where I can bring passion into solving problems that will improve peoples' lives.

Education

2007-2012 (expected) Computer Engineering & Textile Engineering, NCSU, Raleigh, NC, Overall & Major GPA: 4.0.

Computer Skills & Languages

Programming: C, Assembly, Verilog, Go, VBA, Java Parallelization: OpenMP, PThreads, MPI, OpenCL

Scripting: Python, Bash, SQL, Tcsh, Vim

Software: Git, Subversion, Apache, PostgreSQL, PTFX, Linux, OS X, Windows

Experience

1 Semester **Teaching Assistant-Principles of Electrical Engineering**, *Dr. Masnari*, NCSU.

O Assisted students with homework and example problems & Provided supplemental instructional support

1 Summer Cisco Choice Internship, Cisco, Morrisville, NC.

O Developed low-level tools to aid in the debugging of enterprise-domain routers.

O Implemented device drivers to monitor performance events on chip

2 Semesters Computational Software Developer, Optoelectronics & Lightwave Engineering Group, NCSU.

O National Science Foundation funded Research Project

O Developed modelling software to simulate and verify experimental finding

O Optimize runtime using multithreading, multiprocessing and GPU computing on multiple platforms

1 Summer Open Source Developer, Google Summer of Code, Amsterdam, Netherlands, remote.

O Integrate hardware drivers for on-processor performance registers

O Develop unit tests and integrate them into the existing unit test framework

O Support the software community and other developers throughout the project

2 Years Computational Lab Assistant, Computational Chemistry Research Group, NCSU.

O Maintain and update Linux computational lab machines' hardware and software

O Build, install, test and debug new software, contributing back to the community where applicable

O Develop utility programs and scripts to aid lab members and automate/manage simulations

## Relevant Extracurriculars

- O Active Member & Presenter for the NCSU Linux User Group
- O Lead Software Developer North Carolina Aerial Robotics Competition Team
- O Triangle Arduino Hackers local microcontroller development group
- O Contributor to open source projects see http://github.com/ajray
